It encompasses for short books on the "endangered state of grace" (Phillip Yancey's view) in the world and starts with examining the established church and how the world views it today. We will discuss our thoughts with a session in the new year. We will then go on to read Steen Olsen's book, Spirit Filled – Normal Christian Living. Keith Sichler believes this book for us, continues what Pastor Tim was teaching us. Please let me know which books you would like. God bless Annette Waters

## General Notices

**SOUTHERN FLINDERS PARISH INVITATION.** We would like to give you the opportunity of worshipping at our Parish Advent Service on 1<sup>st</sup> December at Laura 10 am for a 10.30 Service with Holy Communion. We will be having a presentation on Finke River Mission. We have been unsuccessful in getting FRM Chair Tim Stollznow this year so, I will be doing the presentation, having been on the FRM Board for over ten years. The loose offering for the day will go to FRM Bush Courses. There will be a shared lunch as part of the day also.

Great to hear that Whyalla have a graduate pastor coming in the New Year. Also, Clare Parish soon to have Pastor Greg Vangsness in the New Year. Blessings in your serving the LORD by serving his people,

Pastor Robin Zadow.

### Church Front Wall Update.

There has been no further progress onsite but discussion held with Stassi and D'Orazio on 13/11/19 re brick, wall removal. Further discussions on details on 18/11/19.

3 Sections of work organized with leaders.

No1 - Refurbish Bricks. Bob Freund

No 2 - Cross, Letters, & Windows. Rodney Waters

No 3 - Front Fence. Peter Schmidt

The 3 Leaders of Sections are,

- Responsible to Project Manager
- Arrange all requirements
- Labour, Equipment, Materials, and working bee's;

As there is limited number of personnel available, Leaders can refer to any other help to assist with the task. Personnel can be asked to help out in all three sections but it is the Leader that has the overall responsibility for that section

Tasks No's 1&2 are subject to the timing of areas of contract. No 3 task is only controlled by the completion of contract. The repairs to this fence is not subject to the contract only on its completion.

Contact between these tasks and Contractor is the responsibility of the Project Manager.

Thanks to Bob, Peter and Rodney and their helpers on the hot and windy day last Monday but a lot was achieved. Who recognised that person under the big hat .. What a worker.
