ALC SHORT COURSE - Introducing the Psalms

You are invited to participate in ALC's first-ever online short course, Introducing the Psalms. Led by Old Testament lecturer, LCA pastor and author, Rev Dr Adam Hensley, this three-part series of live online sessions is available without cost to anyone who can access the internet. In the Psalms we can hear our own voice and God's reply. They take us through journeys from the depths of despair to seasons of celebration and thankfulness. Neither age, background, location nor previous education matter - anyone who is interested in learning more about the Psalms is invited and encouraged to register.

The course will occur on three consecutive Tuesdays from 1.30 pm to 2.30 pm SA time commencing on 19 May. Registered participants will be emailed a Zoom link to access the sessions, which will include a pre-session to practise logging in if required. Register by emailing enquiries@alc.edu.au.

General Information

- Confirmation Class -

We thank and praise God that we have a confirmation class! We expect to begin within the next few weeks (pending the arrival of resources and my organizational skills), so there is still time if you know of anyone who may be ready for confirmation. It may be a friend, family member, or someone who hasn't attended a church in a long while, but please keep your eyes and ears open!

Please also begin praying for our confirmands, Brock and Jayden, and myself as we begin this journey into God's Word together. God bless, Pastor Lee.
