❖ **STORY OF THE WEEK:**

Be careful of barbecue conversations, because you never know where they might lead! Especially if you are newly retired and have an open mind about where God might be leading you. This was certainly true for retired Openbook Publishers General Manager Warren Schirmer, 73, and his wife Marianne, 69, when they met Lutheran Church in Singapore mission director Rev Dr William Chang at a friend's barbecue in Adelaide back in 2010. The friend hosting the barbecue was Glenice Hartwich, then from LCA International Mission.
