O CHRIST, OUR TRUE AND ONLY LIGHT

Johann Heermann - LHS217

O Christ, our true and only light,
enlighten those who sit in night,
let those far off now hear your voice,
and in your fold with us rejoice.

Fill with the radiance of your grace
the souls now lost in error's maze,
and all whom in their secret minds
some dark delusion haunts and blinds.

Shine on the darkened and the cold,
recall the wanderers to your fold,
unite all those who stand apart,
confirm the weak and doubting heart;

So that they may with us adore
your wondrous grace forevermore,
and endless praise to you be given
by all your church in earth and heaven.
