- ❖ **CHURCH FRIDGES:** Recently we have had issues with the fridges freezing up. This was caused by the freezer door not being closed properly which caused the fridge motor to overcompensate and freeze the contents inside. Please check that both the fridge door and the freezer door are fully closed.

*How cool is it  
that the same  
God who created  
mountains &  
oceans &  
galaxies, looked  
at you and  
thought the  
world needed one  
of you too.*
