## MAKING ST. JAMES A SAFE PLACE

Last week the Church Council, Kid's Church volunteers and others attended the Safe Church Safety Management System training conducted by the LCA Professional Standards Unit.

It will ensure that our church has safe people, safe programs and is a safe place for all, where children and vulnerable people can meet and worship in safety.

In coming weeks you will hear more of how our behaviours and practices need to conform to established standards to ensure the safety of all, especially children,
