## SAFE PEOPLE | SAFE PROGRAMS | SAFE PLACES

The Church Council is encouraging everyone to participate in making our Church a safe place for all. By adopting safe management practices, we honour and fulfill our commitment to

God to ensure the safety of those in our care.

For some, this meant a full day training session, extra Working with Children and Vulnerable People checks as well as Police Checks.

In coming weeks you will hear more of how our behaviours and practices need to conform to established standards to ensure the safety of all.
