LCA—The Way Forward Project.

At the last General Synod, it was resolved : That General Synod direct the LCA NZ General Church Board and the College of Bishops to:

- ❖ Work through the theological, constitutional, and governance requirements to operate as one church with two different practices of ordination and establish a detailed framework through which this could be accomplished, such as one or more existing LCA NZ Districts becoming Districts that teach and practice the ordination of both women and men to the office of the public ministry or by establishing a non-geographical LCA NZ 'District' that does so.
- ❖ Submit the fruit of this work in the form of a proposal that should be discussed by the LCA NZ General Pastors Conference for Convention of General Synod 2024.
- ❖ It is the expectation of this General Convention of Synod that both women and men will be ordained in a District of the LCA NZ during the 2024-2027 synodical period.
